🕒 50 Passes ↗️ 25X25

Setup: 11V5 Possession inside a 25X25 playing area. 5V5+2 with 4 neutral bumpers on the outside.

Instructions: The objective is to connect 50 consecutive passes without the defending team touching the ball. If the ball goes out of bounds a new one is played to the other team. Variations include unlimited touches, two touch and one touch.

Coaching Points: Speed of play, movement off the ball, playing the way you face, quality and weight of the pass, communication, and overall field awareness.
